Ministry Prayer

Radiating God's Love

Dear Jesus, help me to spread Your fragrance everywhere I go.

Flood my soul with Your spirit and light.

Penetrate and possess my whole being so utterly,
that all my life may only be a radiance of Yours.

Shine through me and be so in me
that every soul I come in contact with
may feel Your presence in my soul.

Let them look up and see no longer me, but only Jesus.

Stay with me, and then I shall begin to shine as You shine,
so to shine as to be a light to others;

The light dear Jesus will be all from You,
none of it will be mine;

It will be You shining on others through me.

Let me praise You in the way You love best,
by shining on those around me.

Let me preach You without preaching,
not by words but by my example,
by the catching force,

the sympathetic influence of what I do,

the evident fullness of the love my heart bears for You.

Amen.

St. John Henry Newman / St. Teresa of Calcutta

Testimonies

The Healing of Memories Course was heaven-sent – a secure place to unravel some of the most painful areas of my life. I came to the course feeling like a bomb ready to go off and with a sense of not knowing myself. I had stifled a lifetime of emotions. It's hard to put into words the overwhelming presence of God during the prayer.

I now know that He absolutely delights in me and my existence. I now feel complete. I found my voice, self-worth and a deeper relationship with God.

During one of the prayer sessions, I felt so looked after, it made me weep. This experience has bowled me over – it's up there with some of the best experiences of my life!

As a highly trained medical man, I found the Littleway course genuine and powerful. I had two clear physical healings, a debilitating allergic sinusitis; the specialist said it could only be managed, not cured. The other condition was bursitis. Both have gone completely. My consultant advised no treatment now, for the early cancer diagnosis.

The believer in me feels the hand of God. Alleluia.

Tom O'Brien

On the course, a memory I thought insignificant was the first to be healed.

It had affected my whole life, negatively. The root cause was having been left out, ignored and neglected at Day Care, aged 4.

When Jesus was brought into this memory, I was able to forgive those responsible.

I regained my self-worth. I can talk about this memory without over-reacting, or bursting into tears.

I thank God for the other healings and those to come. Thank you helpers, for your time and dedication. Praise to Jesus.

Book Review

A deeply inspiring book with the focus on the healing of the whole person. This 'easy read' also tells how Pauline and Fr. Laurence Brassill came to be in collaborative ministry together. Read in detail the Holy Spirit approach to the healing of memories, and more.

I enthused about this book the first time I read it. I even bought it for others. Yet, when I read the fourth edition it spoke to me in a new and deeper way. This book will leave you with a challenge of what you are going to do with what you have read.

Stephen Woodward

Former Director of a for profit professional consultancy

This book encourages us to have an expectant faith; not dwelling on what we can or cannot do, but trusting that with God nothing is impossible.

The healing of memories prayer gives hope of redemption; the realisation that when we forgive those who hurt us we are ourselves truly healed. We realise that holding on to unforgiveness is like intending to harm the other person by administering poison, but drinking it oneself. We remain hurting. This book tells of the way to freedom, and knowledge that the Lord is merciful to all.
